The course material could focus more on current events, perhaps taken from the news instead of "hot" major topics.

It was difficult to evaluate Amanda only on lots of these questions because we heard lots of speakers who we learned from. She did a super job though. 😊

I loved this class. Amanda spoke to us
outside of class and was very effective in
increasing my desire to learn the subject matter.
I also loved the way it was set up
with the guest speakers. Really a great class.

I really enjoyed the fact that we got to hear so many different speakers. The variety helped keep my interest level up and allowed students to get a fresh professional prospective view on current issues.
